

First Coast Health Zone One Consortium

Membership Form

Does your community or faith-based non-profit program operate in Health Zone One in the City of Jacksonville?

Are you interested in sharing data and program and event information with other community programs working in the area?

If so, please consider becoming a member of the First Coast Health Zone One Consortium. Membership will provide a representative of your organization with access to a file-sharing system that will allow you to share an overview of your program and contact information with other local providers, identify data you have that you are willing to share, and list events that may be of interest. One benefit of membership is that the program list is a database for programs as they look for partnerships and pursue funding. The First Coast Consortium was created in 2010 to pursue funding for regional planning programs, and created the Health Zone One Consortium as a way to recognize the large amount of effort and talent that is dedicated to and by this neighborhood.

Please provide the following for your organization to join the First Coast Health Zone One Consortium:

Next steps:

Please look for an e-mail from the Basecamp administrator with instructions on how to set up your account. This may take up to two weeks so please be patient. If you require changes to the program information already entered, or which to post data or events, you may do so directly once your account is established.

Return forms by e-mail to Margo Moehring at the Northeast Florida Regional Council at mmoehring@nefrc.org, or you may fax them to (904) 279-0881 or mail them to her attention at the Northeast Florida Regional Council, 6850 Belfort Oaks Place, Jacksonville FL 32216. Please call with any questions at (904) 279-0885, ext. 161.
